TOOLS REQUIRED:

None.

PRE-INSTALLATION WARNINGS, CAUTIONS, CRITICAL STEPS, and NOTES:

WARNING

Warning This kit is not intended to be placed in the open cargo area or passenger compartment of any vehicle without being properly restrained.

INSTALLATION PROCEDURE:

- 1) Place the Emergency Road Kit in a safe and secure location.
 - a) For vehicles with enclosed trunk, place the Emergency Road Kit in the trunk where space is available, or under the trunk floor.
 - b) For vehicles with open cargo area, place the Emergency Road Kit in a storage compartment, under the cargo floor, or use the attached strap if available.
 - c) For trucks, place the Emergency Road Kit in the bin underneath the rear seat and secure with a net, or use attached strap if available.
 - e) For minivans, place the Emergency Road Kit inside the spare tire (Reference Owners Manual for spare tire location) or under cargo floor.

- 2) If available, use trap to connect handle of Emergency Road Kit to cargo tie-down, or equivalent.
(See Fig. 1)
