### 5. INSTALLATION PRECAUTIONS / NOTES:

When installing the Cargo Area Organizer in your vehicle, remember to hook the four bungee cords with hooks, through the cargo tie downs at the rear. This will provide added cargo stability for rough roads or heavy braking.

To maintain the luster of your Cargo Area Organizer, clean with a cloth as required using standard automotive vinyl, leather and upholstery cleaners or soap and water.

Note: This product is intended for use with the Cargo Area Protective Tray.
