B	1	Installation Instructions Replacement Template	-

5. TOOLS REQUIRED: Unnecessary

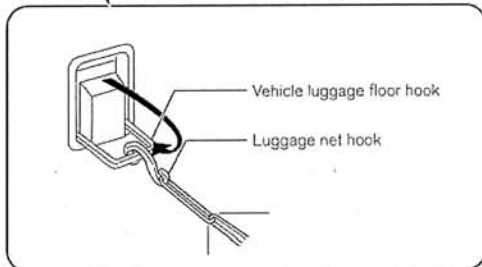

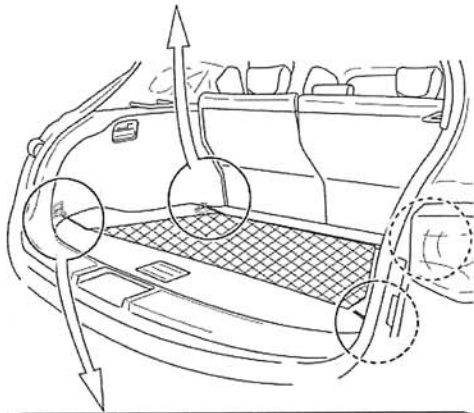

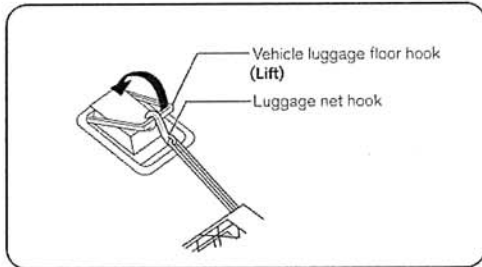

6. PRE-INSTALLATION CAUTIONS/NOTES:

1. Before starting the operation, be sure to read the following cautions and notes so that the installation may be performed safely and properly.
2. We may not bear responsibility for any malfunctions and defects that are caused by failure to observe the matters written here.

⚠ CAUTION

1. Be very careful not to scratch the vehicle when installing this product.
2. Be sure to hang the luggage net hook to the vehicle luggage floor hook.

7. HANDLING PROCEDURE

1) Installation of luggage net

- a) Confirm the positions of the vehicle luggage floor hooks (four points on front and rear sides) that are installed on the luggage floor.
- b) Hang the hook of the luggage net to each of the vehicle luggage floor hooks (at four points).

8. HANDLING INSTRUCTIONS:

CAUTION

1. When using the luggage net, pay attention to the balance of goods.
2. An excessive force may be applied to the hook, depending upon the size of the goods. This may cause breakage.
3. When removing/installing the hook, do not hang it forcibly or pull it. Failure to observe this Caution may result in breakage of the parts related.
